

USA SWIMMING MEMBERSHIP INFORMATION

Swimmers with a current or prior USA Swimming Membership:

- USA Swimming has changed their registration portal and app. All swimmers must create a new account for the new portal and a new member ID will be created.
- Here is the [SVS club link](#) to create your new account. Please note:
 - Older swimmers can create their own account and parents can create a separate account and link to their swimmer's account.
 - Please follow the instructions in the How-to links (on the sign-in page) when creating your account.
 - To get your swimmer's new member ID, please follow the instructions in the USA Swimming portal. If for some reason, you do not receive the USA Swimming email with the new ID #, please email us at info.svstingrays@gmail.com so we can look up your new ID #.
 - If your swimmer's membership is valid through the end of 2022, you do not have to do anything else. However, when you renew their membership for 2023, you will now do so via the portal or app. The app is called "USA Swimming" and can be found on Google Play or the Apple App Store. The Deck Pass + app is no longer active.
 - If your swimmer's membership lapsed, please select one of the following membership options, once you've created the new account. The Premium Athlete membership will be valid through Dec 31, 2023.
